Save *The Orpington Priory*

We are a community group which wants the Priory restored and to remain in public use as a community asset. The group is made up of individuals, people from community groups and business representatives.

Our vision is ‘...to ensure the future of The Priory, and its conservation and restoration as an historic building, with increased public access.’

We want to persuade the council to let us run the Priory as a Heritage & Arts, Community, Education and business centre which will be enjoyed by both the local and wider community. Two important developments will be to improve facilities such as toilets and to open a cafeteria for use by the general public as well as visitors to the centre.

ARE YOU INTERESTED IN GETTING INVOLVED?

We want YOU and all the skills and experience you can bring to the PRIORY.
